

RATES FOR COPIES OF MEDICAL RECORDS

- Cost to release copies of medical records to patients or legal guardians is \$0.36 per page and plus tax.
- Cost of copying images to disc with printed images reports is \$10 and plus tax.
- If you have an appointment within the next 72 hours, there is no charge to the patient when records are sent directly to the physician or the facility providing treatment. Please provide us with the details of the physician or the facility providing treatment.

Please note that in order to protect your privacy and to comply with Federal HIPAA guidelines, no records will be released without presentation of valid government issued photo ID.

Behavioral health records, by state law, require physician approval prior to release.
